

## West Cork Horse Breeders Co-Operative Society

West Cork Horse Breeders Co-Operative Society in conjunction with the Irish Shows Association are hosting the final of the All Ireland Breeders Championship, generously sponsored by Dairygold and Pegus Horse Feeds, at Craanmore Equestrian Centre, Clonakilty on 12<sup>th</sup> September.

This class is confined to mares 7 years old and younger with foal at foot with the aim of giving recognition to breeders who breed suitable mares to produce top quality foals with performance potential.

A huge crowd is expected on the day for this blue riband event, featuring the cream of Irish Sport Horse brood mares and progeny, which we are confident will greatly enhance this country's reputation as a provider of showjumping and eventing horses on the world stage.

Showing commences at 11 am and on the day we will have classes for Yearlings, Two Year Olds and Three Year Olds, Broodmares and Foals including two qualifiers for Irish Shows Association Finals. The final of the members progeny (Mare & Foal) Championship also takes place and the afternoon will host the feature event – The All Ireland Breeders Championship sponsored by Dairygold and Pegus Horse Feeds.

**COME AND SEE THE CREAM OF OUR CROP ON SHOW**
